New Year's Postcard Donations Aid Program

Our New Year's postcard donations program celebrates its 67th anniversary in fiscal 2016.

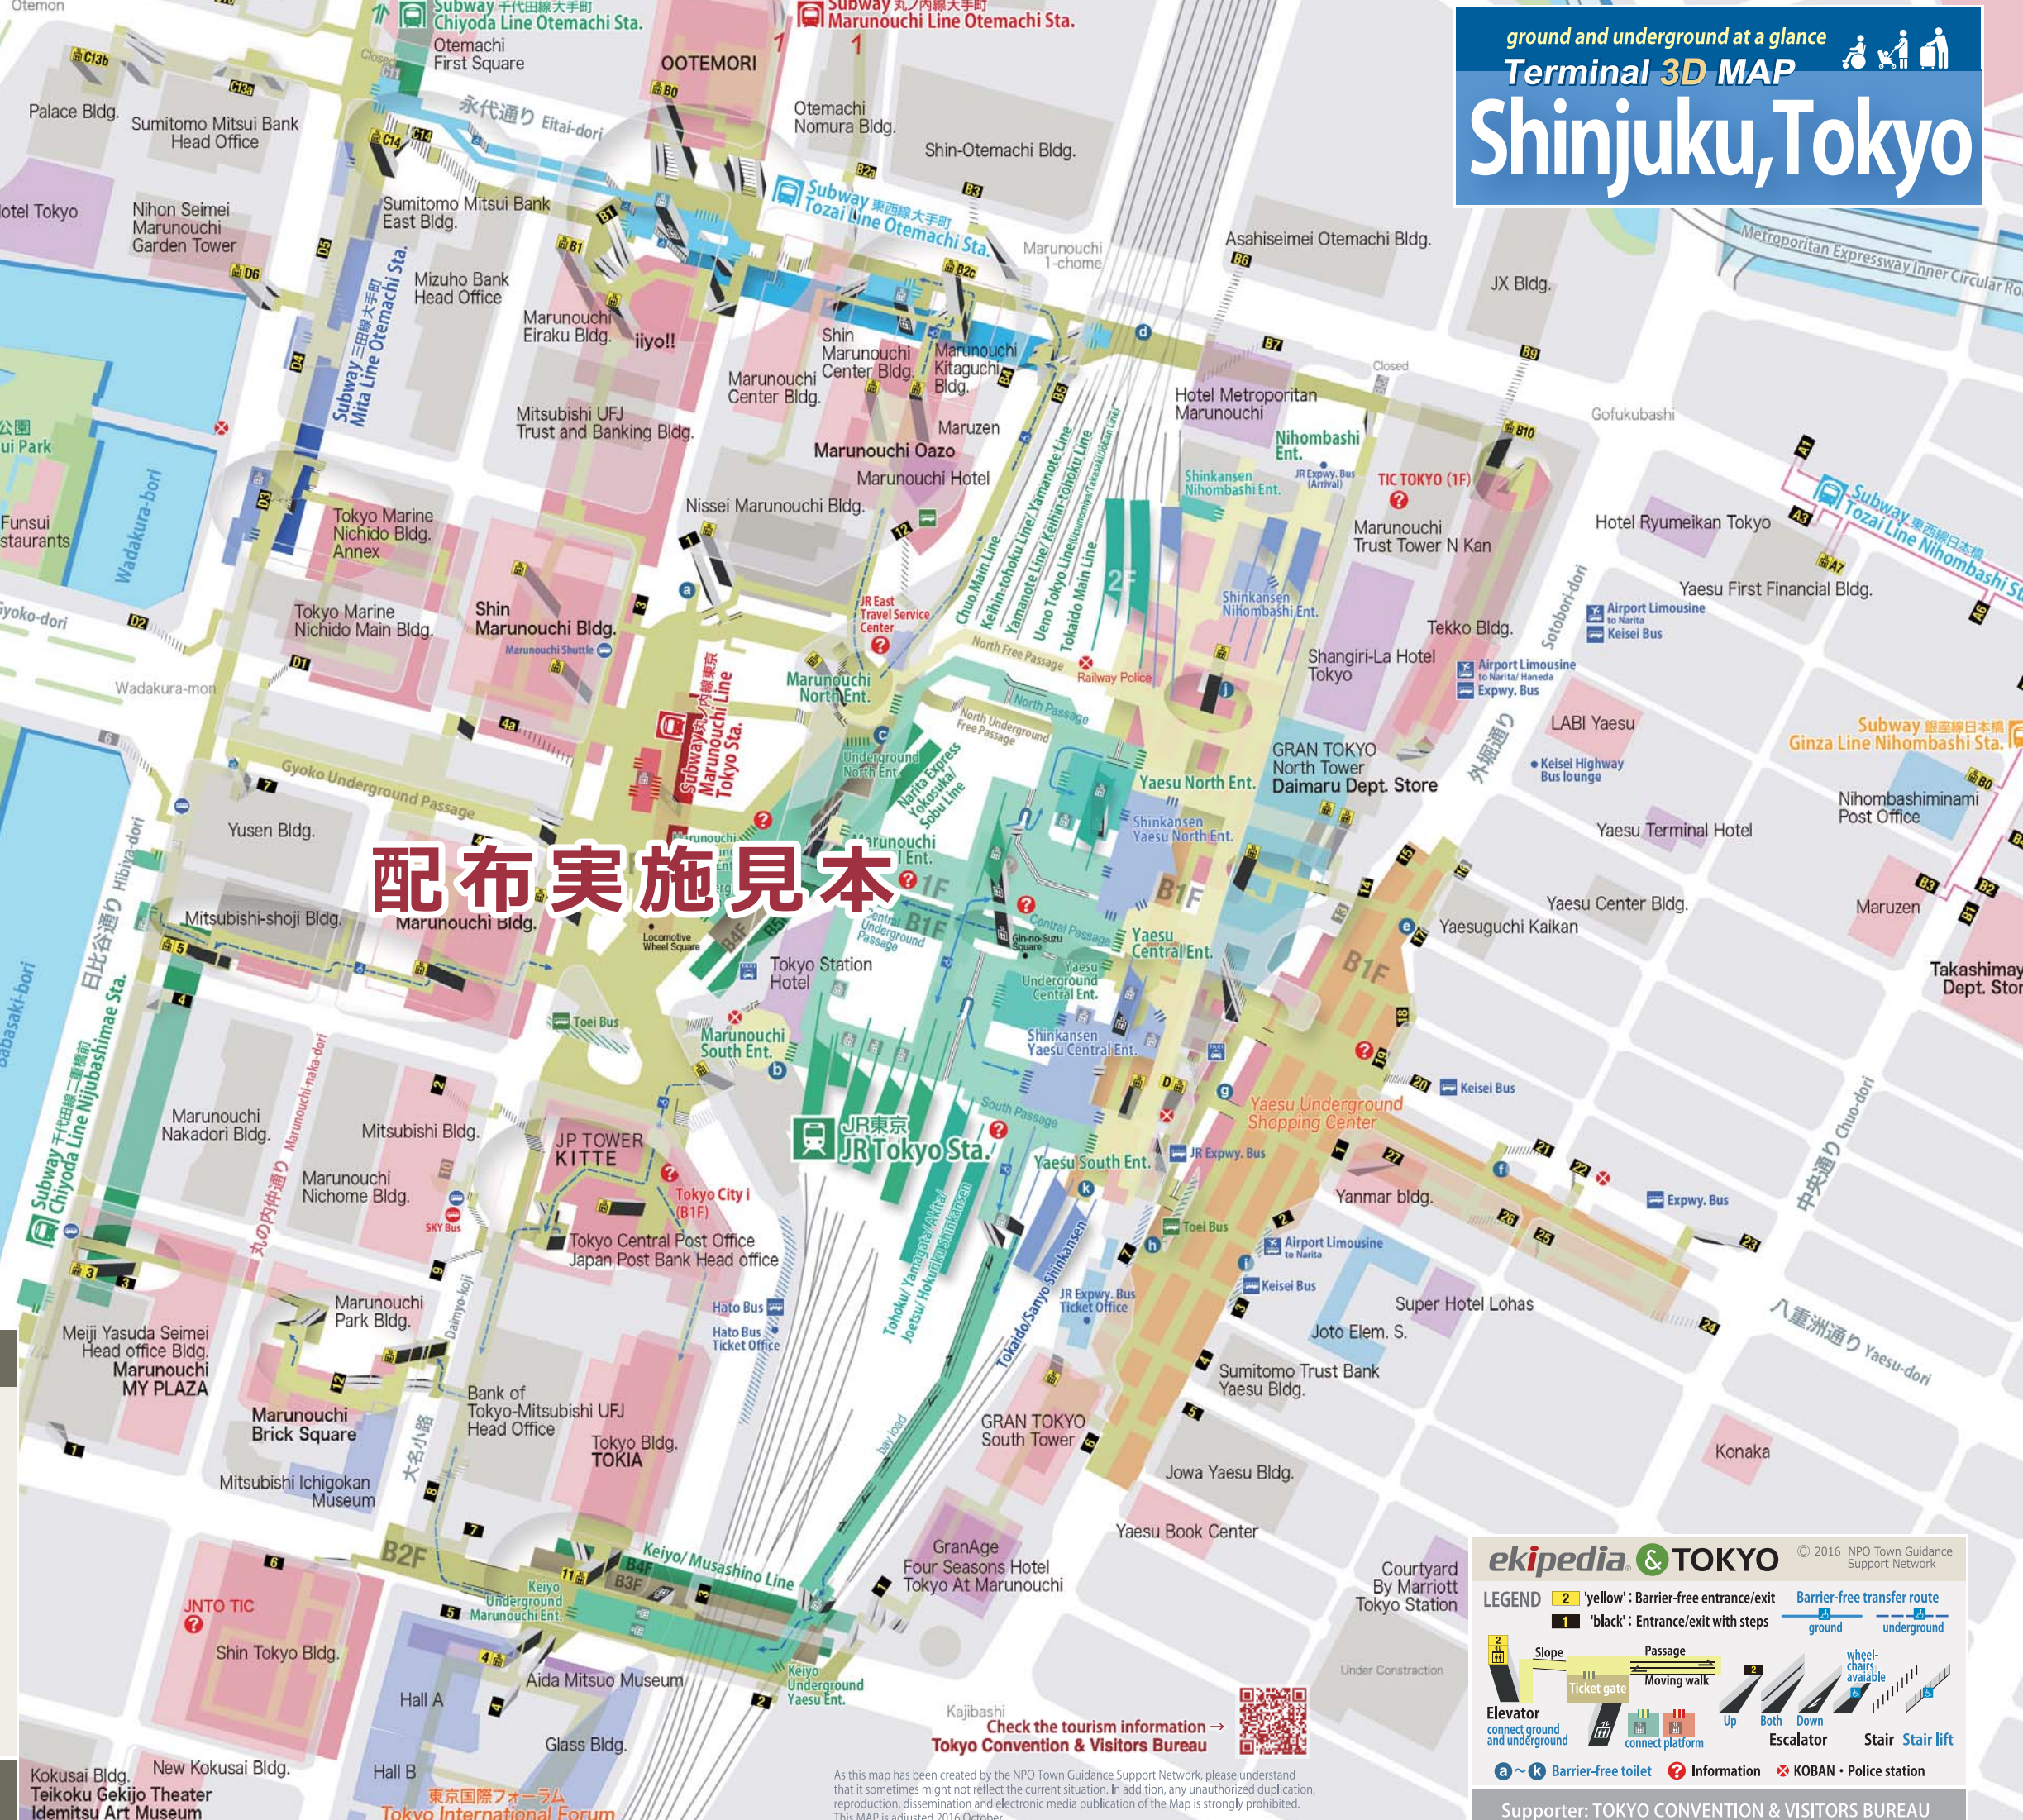

A donation of ¥5 is added to each New Year's postcard, and funds raised through sales of these postcards are allocated to organizations engaged in activities in 10 fields, including the promotion of social welfare, healthy youth development, emergency disaster aid and disaster prevention, and global environmental conservation.

Donations of ¥487.95 million raised from sales of 2016 donation-added New Year's postcards and postage stamp.
